~ 4th of July Open 7am to 2pm ~ ~ Spinning at 8 am! ~

Strength & Conditioning Classes	
BOOTCAMP	Strength and conditioning class includes drills, circuit training, calisthenics, and outdoor activity.
TREADMILL BOOTCAMP: Add treadmills to all the above. Designed to "shock" the body to improve your cardiovascular system, torching calories and building muscle.	
CORE-X	A 30-minute class devoted to your core strength! This creative and fun environment will have you feelin' it right away!
HIIT IT!	High Intensity Interval Training...short intense periods of exercise punctuated by active recovery periods. The ultimate Fat burner!
Fit for Life	This fun filled class is fit for all types and levels! Playing with functional exercises, you'll build muscle and burn fat using light weights, steps, balls, bands and your own body weight.
Power Ball	Find your optimum strength potential in this deep muscle work-out utilizing a variety of physio-balls of all sizes and techniques.
TOTAL BODY	Discover and enhance your potential strength and capabilities as you play with toys that sculpt your entire body!
X-FIT & X-FIT EXPRESS	A conditioning and sculpting class that keeps things changing with cardio and strength elements. This high intensity endurance style class is recommended for intermediate to advanced participants.
Dance Inspired Classes	
Zumba™	Latin dance and aerobic moves create a fast paced, effective, fun workout. JOIN THE PARTY!
STRONG	A high intensity interval training workout driven by a synced music motivation.
Yoga and Pilates Classes	
BarSculpt	A Pilates flavored high intensity class utilizing a ballet barre that combines moves to enhance your strength and flexibility.
Bootybarre	Bootybarre is a fun, energetic, workout that fuses techniques from Dance, Pilates, and Yoga that will tone, define and chisel the whole body.
Pilates & Mat Pilates	Mat Pilates works to strengthen the core, lengthen the spine, increase body awareness, build muscle tone and gain flexibility. Props are sometimes used to enhance the exercises. This class is for all fitness levels with modifications always available.
Yoga & Power Yoga	Yoga works to balance the energies of the mind with those of the body through physical exercises (asanas) and controlled breathing calming the mind. Power Yoga is a smooth and consistent flow of strength building movements designed to increase flexibility, strength and peace of mind.
Yoga Ball	Yoga ball combines the use of a stability ball and yoga poses for core strength and flexibility. Seasonal: from November thru April.
Cycling Classes	
Spinning is a motivating workout where you control the pace! New riders please arrive 5-10 minutes before the start of class to get set up. All levels of riders are welcome, from "never done it" to outdoor riding enthusiasts! It's your ride!	
Intro to Spinning	Find out what all the buzz is about! Spinning is a specific format of indoor cycling accompanied by your favorite tunes. Seasonal: November thru April.
SPYN-RGY	A cardio workout on a stationary bike that gets your heart pumping to energizing music.
Cycle Flow	A music driven interval cycling class with an emphasis on a fun beat-induced cadence layered with seamless transitions from low to high intensity output.
Rhythm Cycle	Focus on your breath, beat and cadence in this endurance spinning environment. Let the music move you!!
Specialty Classes	
Cardio Kickboxing	Cardio Kickboxing is the perfect total body workout, and the fastest way to that toned fighter physique you seek. Coe ready to sweat like crazy, build a rock- solid core, and burn hundreds of calories.
Mind/Body/Spin	Kick off your weekend feeling strong and centered! Work your body and your mind in this challenging and inspirational journey. Duration: 40 minutes.
Healthy Hour	Strongest start to your weekend, you warrior, you. A full body circuit with plates, resistance bands, ladders, ropes, wall ball, and more.
